"The Future of a Proud Tradition"

TO: Fire Academy Applicant

Thank you for your interest and potential application to our Fire Academy. We will do what we can to give you the quality of training that is required and needed to pass the Texas Commission on Fire Protection's state certification test. We have conducted many successful academies and can make this claim due to our high standards. Our reputation is based on whether you, as a graduate, are hired by a department and how well you are able to fit into an organization.

Our day class curriculum is 564 hours of classroom work which includes the required 468 hours by the Texas Commission on Fire Protection. There are additional hours added by our school as follows:

Physical Fitness Training – This training will assist you in passing most entrance physical fitness test offered by area departments. If there is any reason that you may have doubts about your ability to do this type of training, consult your physician first. See the enclosed **Physical Form that must be filled out and signed by your physician prior to the beginning of training class.** PT is highly strenuous and demanding and is a **PASS/FAIL** part of the school. **Physicals are required for approval to participate in DeSoto Fire Academy fitness program only.**

Swift Water Rescue – Some form of rescue is given during the school.

Vertical Rescue – A full two day school is given on this discipline.

Auto Extrication – Two full days are given.

Driving School – This school is given at the beginning of the course.

Tuition is **\$2,9500.00 (must be paid in full by the first day of class).** A non-refundable deposit of **\$600.00** is required with a **\$70.00** registration fee and your completed application. (The deposit is applied to your tuition.)

You may purchase the necessary book: Essentials of Fire Fighting and Fire Department Operations, 7th Edition at a cost of \$150.00. Bunker gear - personal protective equipment, i.e., boots, helmet, jacket, gloves must be turned back in upon completion of the school in satisfactory condition or you will be charged. Live Fire lab fee of \$700, uniform shirts and physical fitness clothing must be purchased from the Fire Training Center- a minimum of 2 sets is needed. See additional uniform clothing information included in this packet. A TCFP state testing fee of \$85.00 will apply at the end of class.

Chapter 403 of the Commission's Standards Manual addresses the guidelines TCFP uses to determine certification eligibility of persons with criminal histories. The Standards Manual can be accessed on the TCFP website.

- Potential ineligibility of persons convicted of an offense for certification
- Current TCFP guidelines regarding eligibility for certification of persons with criminal histories
- The right of an individual to request a criminal history evaluation
- Other notification requirements-see HB1508 for more information

The **Application for Early Review of Eligibility for Certification (form TCFP-012)** and instructions can be found in the list of Commission forms on the TCFP website. The Commission will perform an **early review of eligibility** for any person requesting the review and providing the necessary information/fee.

You will need to furnish the every day items used in class (i.e., pen, pencil, paper, and highlighters as needed). The Fire Academy will issue each recruit one notebook containing all pertinent Academy information. The notebook will be your responsibility.

Your first responsibility is to fill out the application and obtain the necessary information. This includes the request for a complete driving record history (Type 3 on the form – List of All Accidents & Violations in Record). Your driving record must not show more than 1 ticket (moving violation) in 1 year or no more than 3 tickets in 3 years, and no DWI's in 5 years. You may go online at www.texasonline.state.tx.us to request your record (Type 3). Online requests are processed much faster than the mailed requests. Applications will be denied if the driving record comes in with excessive moving violations. We will need this driving record at the time you reserve your spot in class.

Applications can be mailed or hand-carried to the Fire Training Center office at 501 E. Wintergreen Rd., DeSoto, TX 75115. The school will take the first 30 applicants received. You must be 18 or older and have a high school diploma or a GED. Those that are received above the number 30 will be placed on a waiting list.

You will need to read and abide by our **Rules & Regulations** concerning the point system for counseling, conduct and courtesy, dress and appearance code.

Classes are held at our **Fire Training Center, located at 501 E. Wintergreen Rd.** Class meets Monday through Friday, 7 A.M. to 4 P.M. You are responsible for being in school **every day and on time**. If you are to be absent, you must call 30 minutes prior to class start time at the following number (972)-223-6858. If this is not done, then an absence and a tardy will count against you. If you have any type of medical problem that would hinder you physically or academically, you must report this to the Physical Fitness Coordinator.

You have the obligation to keep a class average of 80 on all work. This means that if your average slips below 80, the School Coordinator will counsel you. If a grade between 70 & 80 is made on a test, the School Coordinator will counsel you. **A GPA of 80 is required throughout the school** in order to take the mid-term test and the final exam. **A grade of 70 is needed to pass the mid-term and continue the second half of school. The final exam also requires a grade of 70 along with a GPA of 80 to graduate.** If all these conditions are met, the recruit may take the state test at our location after the formal classroom work is completed. **These terms are set forth in the contract that you sign.**

If you sincerely like to help people, whether in a fire situation or a medical setting, DeSoto Fire Academy can be your stepping stone to a successful and rewarding career in the Fire Service.

Thank you again for considering our school. Please call with any questions.
